By 1pm each Friday:

We will ask for your name and telephone number which will be kept for 21 days so you can be contacted as part of NHS test and trace if others attending test positive for COVID-19

**When you arrive please:**

- **put on your face covering** – this is now required by law unless you are exempt
- maintain social distancing of 2 metres
- use the hand sanitiser provided
- use the QR code by the inner door or provide your name and telephone number if asked. This information will be kept for 21 days so you can be contacted as part of NHS track and trace if others attending test positive for COVID-19
- **wait** to be greeted by a sidesperson and shown to your seat. We have a limited capacity and the chairs have been spaced to conform with social distancing

**During the service:**

- service sheets will be available but if you are able to print and bring your own copy that would be great. Please do not share your service sheet with others
- follow the instructions given by the priest. During communion please remain seated as the clergy will come to you. Only bread will be distributed
- do not physically share the peace or physically greet others
- congregational singing is not currently allowed so please simply listen and enjoy the music provided by our organist and choir
- to aid ventilation, at least one entrance door will remain open

**At the end:**
