

Suspension of Communal Sunday Worship

The Rector and Parochial Church Council have agreed to continue suspending worship in the church building on Sundays, on the following days in 2021:

Sunday 14th February
Sunday 21st February
Sunday 28th February
Sunday 7th March

This is due to guidance received from the Diocese of Oxford and Buckinghamshire Council Public Health, concerning the prevention of the spread of Coronavirus, which is still considered to pose a risk to our congregation.

We are keeping this situation under constant review and, if the local situation does not improve, it may be decided to extend this period of suspension beyond the 7th March.

Our 10am and 5pm Sunday services continue online. Details and links can be found on www.allsaintshighwycombe.org
