

## Risk Assessment Template for Opening Church Buildings to the Public

### Version Control

Issue Date	Version Number	Issued by
10 <sup>th</sup> December 2021	10.1	The House of Bishops COVID-19 Recovery Group

*This update has been reviewed to reflect the new restrictions contained in Plan B implemented by the UK government. As Plan B adds restrictions to people entering places of worship it is recommended that risk assessments currently in place are re-run to ensure they fit the new circumstances. The Church of England's [guidance](#) may be a helpful reference point.*

*It is recommended that you carry out a separate risk assessment for each activity type e.g. public worship, use by community groups, concerts etc. and that these are regularly reviewed with reference to local Covid infection rates and other relevant circumstances. You may decide to have different mitigations or safety measures in place for different events. Where activities run simultaneously or back-to-back, each iteration of the risk assessment should address the shared or consequential risk.*

*Please note while the NHS COVID pass is mandatory for entry into venues where large crowds gather, **this requirement will not apply to places of worship when they are being used for Communal Worship, Weddings, Funerals and other ceremonies to mark key life events.** Concerts or other non-worship events will need to comply with the new requirement but only where 500 or more people are involved in indoor venues.*

*More information is available on the [Church of England Coronavirus page](#) and on the Government's [website](#).*

## Carrying out a risk assessment

1. Agree what activities you are planning for:
  - Private prayer
  - Public worship with or without congregational singing
  - Funerals, weddings, baptisms, ordinations
  - Livestreaming or recording services
  - A choir or music group singing indoors as part of a public, livestreamed or recorded service
  - Formal childcare or where part of a school
  - Essential voluntary and public services
  - Use as a vaccination or testing centre
  - Community and support groups
  - Provision of youth services
  - Opening shops/cafes
  - Opening for visitors/tourists/educational visits as a heritage attraction
  - Opening for concerts, plays etc
2. Consider the hazards:
  - Transmission of COVID-19
  - Hazards arising from using the church in a different way to usual
  - Shared or consequential risks of activities running simultaneously or back-to-back (eg crossover of people at entry/exit points)

Read the guidance and think about how it relates specifically to your church. What constraints are there? Consider how people will arrive at the church, including if they will need to wait or queue outside; how people will enter and leave the church; circulation inside: from the entrance to the worship space and out again; circulation within the worship space; also access to other areas including the toilet(s).

3. Consider who might be harmed and how. Read the guidance and think about how the activities you are planning will affect different groups of people. The risks are not different for larger churches as long as they are properly managed, but having any significant numbers of people coming through your building makes the possible impact – in particular someone with COVID-19 coming into contact with others – higher than in smaller churches with fewer people. Consider your particular circumstances and adapt the checklist below as appropriate. Gathered congregations and major services may attract people from far afield, which is likely to add to the risk profile. Consider whether you need to consult your wider membership and users.

4. Using the risk assessment checklist below as a template:

- add in mitigations for any risks that are particular to your circumstances that may not be on the list;
- record what you need to do for each activity to go ahead safely;
- consider any equipment you need and any temporary changes you might need to make to the church;
- check back against your list of activities to confirm which ones can go ahead and when.

<b>Aerosol or droplet transmission of Covid-19</b>	Increase ventilation in your building: natural ventilation by opening doors, windows and vents or mechanical ventilation if appropriate/necessary.	One door in large west end entrance usually left open during services except in windy conditions.	Ministry team LB/JC/Activities team/Welcomers	December 2021 JC/LB+ongoing
	Use outdoor spaces if appropriate and available	Not appropriate for most services – building is large and well ventilated	Ministry team/LB+JC	December 2021 LB/JC/HE
	Invite visitors & congregation to consider wearing face coverings	Website and entrance signage updated	Ministry team/welcomers	March 2022 LB/TM
	Put in place measures to reduce contact between people e.g. retaining social distancing	Socially distanced seating in the south aisle, distanced sharing of peace etc	Ministry team LB/JC/Activities team/Welcomers	December 2021 LB/JC/HE+ongoing

<b>Risk</b>	<b>Controls to consider (delete or detail as appropriate to your location and event)</b>	<b>Additional information</b>	<b>Action by whom?</b>	<b>(Re)completed – date and name</b>
	If practical in your building, choose one point of entry into the church to manage flow of people and indicate this with notices, keeping emergency exits available at all times. Where possible use a different door for exit.	West end entrance South door for choir and north door for bellringers practice	Ministry team LB/JC/Activities team/Welcomers	December 2021 LB/JC
	For events where the building is likely to be especially busy, or the activity is particularly energetic, pay particular regard to the need for additional mitigations such as social distancing and face coverings. Where a non-worship activity with over 500 people is involved such as a concert or other event an NHS COVID Pass may be required for attendance.	No non-worship planned where there will be 500+ in building at same time	Ministry team /Activities team	December 2021 LB/JC+ongoing
<b>Surface transmission of Covid-19</b>	Provide adequate hand cleansing stations. Provide hand sanitiser for the occasions when people can't wash their hands.	Hand sanitiser available at west end and choir door entrance	Activities team	March 2022 LB/JC+ongoing
	Identify where you can reduce the contact of people with surfaces, e.g. by leaving open doors that are not fire doors, using electronic documents rather than paperwork.	West doors open as people arrive and leave – inner doors closed during service  Online service sheets and news sheets available electronically	Activities team/LB/JC  Office/LB	July 2021 LB/JC+ongoing  December 2021 TM/LB+ongoing
	Good hygiene and cleaning of the building.	Building is cleaned multiple times during the week – kitchen wiped down after each café shift / event use	Activities team	December 2021 Activities+ongoing

<b>Risk</b>	<b>Controls to consider (delete or detail as appropriate to your location and event)</b>	<b>Additional information</b>	<b>Action by whom?</b>	<b>(Re)completed – date and name</b>
	Consider hygiene around shared items such as Bibles, prayer and hymn books that are used by multiple people.	Items not usually shared but are put away between use	Ministry team /Activities team/Welcomers	December 2021 LB/JC+ongoing
	If providing single-use service sheets or prayer cards, either place these on sheets or ask people to sanitise hands before picking one up, and request that people take these home with them.	Weekly sheets printed for Sunday Eucharist. Reusable sheets for other services – put away for at least 48 hours between services	Office  Welcomers	December 2021 LB/JC+ongoing
	Cordon off or remove from public access any devotional objects or items (if they are liable to be touched or closely breathed on).	Some items remain in storage	LB/JC	December 2021 LB/JC+ongoing
	Put in place a cleaning rota/system for children’s materials and toys, and consider providing cleaning materials for these if safe to do so (keeping all such materials out of the reach of children).	Colouring and books/puzzles made available but no soft toys	RC	December 2021 RC+ongoing
	Where there are toilet facilities, ensure an adequate supply of soap and disposable hand towels, and a bin for towels, are available.		Cleaner/Activities team	December 2021 LB/JC+ongoing
	Ensure all waste receptacles have disposable liners (e.g. polythene bin bags) to reduce the risk to those responsible for removing them.		Cleaner/Activities team	December 2021 LB/JC+ongoing
<b>Visitors are unclear on requirements for attending church or visiting the building for other purposes, or anxious about attending.</b>	Update your website, A Church Near You, and any relevant social media with information for visitors.
